

AsiaPhotoStock supplies images for Afton Chemical Corporate Brochure

AsiaPhotoStock was hired to take images of the Asian staff for Afton Chemical's global corporate brochure. Images were taken in the Singapore office & show a dynamic, modern workforce which aims to be the supplier of choice of petroleum additives to fuel & lubricant blenders. Afton Chemical parent NewMarket is traded on the NYSE under the symbol NEU. Images will be shown once the brochure has been commercialised & distributed to customers.
